In order to limit the spread of the COVID-19 epidemic, the Company's Board of Directors has decided to adopt the exceptional meeting procedure provided for in the Finnish Act 677/2020, which temporarily deviates from some of the provisions of the Finnish Limited Liability Companies Act (the so-called temporary act). The Company's shareholders can participate in the meeting and exercise their rights only by voting in advance and by presenting counterproposals and questions in advance. Instructions for shareholders are provided below in Section 3 (*Instructions for the Participants in the General Meeting of Shareholders*).

- (6) Presentation of the Annual Accounts including the Consolidated Annual Accounts, the Report of the Board of Directors and the Auditor's Report for the Year 2020

(16) Authorisation to the Board of Directors to Decide on the Repurchase of the Company's Own Shares

The Board of Directors proposes that the Annual General Meeting authorises the Board of Directors to decide to repurchase a maximum of 1,086,198 shares in the Company, which corresponds approximately to 5 per cent of all the shares in the Company.

By virtue of the authorisation, own shares may be repurchased by using the Company's unrestricted equity. Consequently, any repurchase will reduce the Company's funds available for distribution of profits.

Own shares may be repurchased through public trading on the Frankfurt Stock Exchange at the prevailing market price on the date of repurchase.

The authorisation entitles the Board of Directors to decide to repurchase shares also otherwise than in proportion to the shareholders' holding in the Company by way of a directed repurchase subject to the requirements set out in the Finnish Limited Liability Companies Act. The Board can use the authorisation in one or several tranches to all purposes decided by the Board of Directors.

The authorisation is proposed to be in force until the end of the next Annual General Meeting, however, no longer than until 30 June 2022.

The Board of Directors may issue either new shares or transfer existing shares held by the Company.

The authorisation also includes the right to issue special rights, in the meaning of chapter 10, section 1 of the Finnish Limited Liability Companies Act, which entitle to the Company's new shares or the Company's own shares held by the Company against consideration. Shares that may be subscribed for by virtue of the special rights entitling to shares are included in the aforesaid maximum number of shares.

The authorisation entitles the Board of Directors to decide on a directed share issue and issue of special rights in deviation from the pre-emptive rights of shareholders subject to the requirements set out in the Finnish Limited Liability Companies Act. The Board of Directors can use the authorisation in one or several tranches, and it may be used to all purposes decided by the Board of Directors, such as developing the Company's capital structure, financing or carrying out acquisitions or other arrangements, or as a part of the Company's incentive schemes.

The authorisation is proposed to be in force until the end of the next Annual General Meeting, however, no longer than until 30 June 2022.
