Instructions for holders of nominee registered shares

Holders of nominee registered shares are entitled to participate in the Annual General Meeting by virtue of shares that they hold on the record date of the meeting, i.e., 15 April 2024. Changes in shareholding after the record date do not affect the right to participate in the meeting or the number of votes.

The right to participate in the General Meeting requires that the holders of nominee registered shares be temporarily entered into the shareholders' register held by Euroclear Finland Oy based on these shares by 22 April 2024 at 10:00 a.m. (EEST / Finnish time), at the latest. This constitutes due registration for the meeting.

Holders of nominee registered shares who wish to participate in the meeting must ask their custodian bank for necessary instructions regarding the temporary registration in the Company's shareholders' register, the issuing of proxy documents and voting instructions as well as registration for the General Meeting of Shareholders and advance voting. A proxy document may be issued either to a custodian bank in accordance with the bank's instructions, or alternatively to another proxy representative in which case such representative must present a dated proxy document reliably demonstrating his/her right to represent the holder of nominee registered shares.

For advance voting, custodian banks or other proxy representatives of holders of nominee registered shares may, if they so wish, request an advance voting form from the address agm@multitude.com. The completed advance voting form or corresponding information must be provided to the Company either by email to agm@multitude.com or by post to Multitude SE, "AGM 2024", Ratamestarinkatu 11 A, 00520 Helsinki, Finland.
